

This tip sheet describes how to search for classes using different criteria.

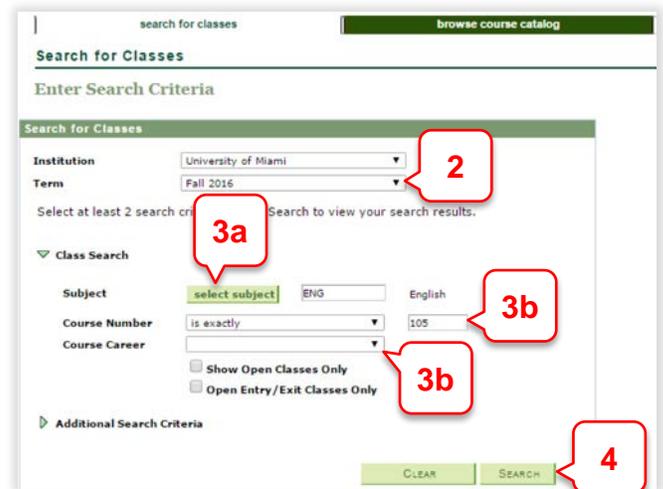

Before you can search for classes, be sure that you are logged into the portal at <http://canelink.miami.edu> using your Cane ID and password. Once logged in, you will be directed to the Student Home page. From there, click the green **Go to Student Center** button in the middle of the page, and then follow these steps.

1. On the Student Center page click the **Search For Classes** button on the right-hand side
2. (Required) Make sure that the correct Term is displayed. If not, select the correct Term by clicking the drop-down arrow
3. Choose at least two search criteria from the following list:
 - a. **Subject:** In the Subject field, enter the three-letter subject code (e.g. ENG) or click the **select subject** button to look it up in alphabetical order.
 - b. **Course Number:** Choose a condition from the drop-down list (e.g. "is exactly") and enter the three-digit course number that identifies the course in the catalog (e.g. 105).
Note: Using the *Greater than or equal* will include all courses above the number you provide.
 - c. **Course Career:** Select the appropriate career (e.g. Undergraduate).
 - d. **Additional Search Criteria:** Click the arrow to the left of Additional Search Criteria to limit your search to particular times, days of the week, instructor, keyword, course component, session, campus, location or course lists.

4. Click the **Search** button to see the results

Note:

- The default settings will bring up all open sections of a class. For example, if you entered ENG (subject) and 105 (course number), you will see only open sections for English 105. If you want to see all sections for a class, uncheck the Show Open Classes Only check box.
- Once you have added a class to the shopping cart, click the **Search tab** to search for another class. You may also click **Class Search** on the main menu at the top to search for classes.

Browse Course Catalog

Another way to search for courses is through *Browse Course Catalog*.

1. On the Student Center page click the **Search** button on the right-hand side
2. Click the **Browse Course Catalog** on the right hand side of search for classes
3. Click on the letter the subject is under (e.g. for English click E)
4. Scroll through the page till you find the specific abbreviation for the subject you are looking for
5. Click on the specific course you want out of the list of courses in that subject. This would give you details about the course, such as credit, description, and more
6. You are able to **add to planner** or **view class sections** to pick the specific section to put into your shopping cart
7. Select the term and then look at the offering to pick the course you would like to **select**
