Service Indicators (Holds), appear as a red circle with a slash icon, indicating you need to resolve a particular issue, or as a star, indicating there is a message you need to read.

Service Indicators (Holds)
Some service indicators may prevent you from enrolling in upcoming terms, for example:

- **Academic Advising Hold** – Will be placed on your record if you are required to see an advisor before registering for classes. Once you have met with your advisor, the hold will be removed and you will be able to enroll when your *Enrollment Date* is available.

2. If you have holds, they will be listed on the right-hand side, under **Holds**
3. Click on the **details** to view more info about the hold

Notes

- If you notice that you have a hold while you are trying to add a class, the class will remain in your **Shopping Cart**, until the hold is resolved
- Having a hold will prevent you from getting on a waitlist
