Create A Skype for Business Meeting

Outlook 2013/2016 for PC

1. Make sure Skype for Business is open. Then in Outlook navigate to the Calendar.
2. Select the Home tab and click New Skype Meeting.

3. Set up the Skype for Business meeting just as you would a regular meeting.
   - Include attendees in the To: field
   - Title the meeting within the subject line
   - Select a start time and end time
   - Type an agenda in the meeting area
     - NOTE: Do not change the Skype Meeting information that is already in the agenda area.

4. Click Send when done.
Outlook 2016 for Mac

1. Open Outlook and navigate to the Calendar.
2. On the Home tab, select Meeting.

3. On the invitation page, select Online Meeting > Add Online Meeting.
4. Set up the Skype for Business meeting just as you would a regular meeting.
   - Include attendees in the To: field
   - Title the meeting within the subject line
   - Select a start time and end time
   - Type an agenda in the meeting area
     - NOTE: Do not change the Skype Meeting information that is already in the agenda area.

5. Click **Send** when done.
Outlook Web App (http://email.miami.edu)

1. Go to http://email.miami.edu and provide your canelID and password when prompted.
2. Once logged in, click the waffle icon in the top left corner of the page and select Calendar.

3. On the calendar page, select **New > Calendar event**.

4. On the Set up an appointment page, select **Add Skype meeting**.
5. At the top of the meeting you will see a message similar to “Your Skype meeting has been created. We’ll add joining details after the invitation is sent.”

6. Fill in the meeting title, location (if you'll have in-person attendees), and the start and end times.
7. Click **Send** when done.
Join A Skype for Business Meeting
